**Trad Jazz Like You've Never Heard Before  
Jeff and Joel's House Party III**

Here's another chance to experience traditional jazz like it used to be played in the '20s – at homes, close up to the music, with food and fun (BYOB, set ups provided). This April 20-21 Joel and Donna Schiavone are again opening their beautiful historic farmhouse in Guilford, CT to the 3rd **Jeff and Joel's House Party** featuring 14 top trad jazz musicians all mixing and matching their talents for our pleasure.

The host for this party is Banjo Hall-of-Famer, Joel Schiavone. The Master of Ceremonies is Jeff Barnhart, the hot jazz piano man, well know in the USA and in Europe for his “hot jazz, hokum and hilarity”. Jeff calls the groups of musicians together in their unique combinations and you never know who --- or “what” will come next.

Musicians for House Party III include:

Trumpet: Lew Green and Gordon Au

Reeds: Noel Kaletsky and Joe Midiri

Trombone: Craig Grant and Paul Midiri

Piano: Jeff Barnhart and Ian Frankel

Banjo/Guitar: Bob Price, John Gill and Joel Schiavone

Bass/Tuba: Brian Nalepka and Frank Tate

Drums: Tom Palinko, Kevin Dorn and John Gill

Vibes: Paul Midiri
